

BEDFORD COMMUTERS ASSOCIATION

RENEW YOUR MEMBERSHIP - STILL £5.00 pa

Membership of the Bedford Commuters Association (BCA) brings a number of advantages. BCA's committee of volunteers is always campaigning for the rights of commuters (and other users of passenger transport) using both Bedford and Flitwick stations. We regularly meet representatives of First Capital Connect and East Midlands Trains and constantly lobby for improvements to facilities and services in the industry at large and at Westminster.

Members receive five or six newsletters per year, keeping them updated with the latest developments from a traveller's perspective. We would be delighted if you renewed your membership for a further year, and encouraged others who travel with you to join.

Notes on completion of the form:

1. Please write clearly in block capitals - especially your e-mail address. If we can't read this, we won't be able to send you newsletters and other correspondence by email.
2. The information will not be sold to or shared with any third party organisation. It will only be used by the BCA for the administration of your membership and for sending out newsletters, etc. Your details will not be passed onto anyone else without your prior permission.
